## El Proyecto de Corazones Agradecidos

### *We are grateful*

to the many people and organizations who helped protect Calistoga and Calistogans from fire, and who helped us get back on our feet!

We're creating paintings to thank them, and to recognize their heroism and their kindness.

### *Would you like to join us?*

Plan on coming at least three or four times, to complete both your painting(s) and frame(s) — and let us know if you're coming, so we can make sure we have enough materials!
